In other words....The Gilded Age of the 1900's!

This is when Charles Mather transformed what began as a simple farmhouse in 1770 into The Mansion House that you are experiencing today. This "gem" has survived transformations and owners and now rests in the hands of Radley Run Country Club. The task to preserve and restore the Mansion House is a great one that requires many dedicated volunteers and more funding than RRCC could provide. Thus the Mansion House Foundation was formed to ensure that this beautiful building would continue to shine through planned restoration and preservation.

Tonight you played a part in this history through your presence and support. With your help, the Foundation will continue the legacy of the Mansion House through the 21st century.

Thank you for attending. The Foundation appreciates your continued support.

**Mission Statement**

*Mansion House Foundation at Radley Run strives to restore, preserve, and protect the rich historic Chester County, PA culture of the Battle of the Brandywine and their connection with the Mansion House at Radley Run, circa 1700. Our goal is to create an enriched experience for our community through education and engagement.*
